**2015 Annual Conference of the US National Committee for UN Women
June 26, 27 and 28, 2015
Hyatt Regency Long Beach
200 South Pine Avenue, Long Beach, CA 90802**

Picture it: A world without a gender gap; a world where gender equality is a reality for every woman and girl. What would your world look like?

Honoring UN Women's Beijing+20 Campaign, the theme for the 2015 Annual Conference of the U.S. National Committee for UN Women will be: [Beijing+20: Empowering Women, Empowering Humanity. Picture it!](#)

The Beijing Conference Agreement known as the Platform for Action includes women in power and decision-making, one of the 12 critical areas of concern. The Platform made two essential commitments to change: 1) it called for measures ensuring women's equal access to and full participation in power structures and decision-making; and 2) it urged steps to increase women's ability to participate.
